

# Hinder - The Best is Yet to Come

Tom: Gb

My first make-out session, I learned my first lesson  
While trying to get to the next base  
When I slipped passed her waist, She smacked my hand away  
Then I got a slap in the face

If I could go back in time  
Wouldn't change a damn thing in my life  
Love the dumb things we do when we're young  
But the best is yet to come

My first drinking lesson, I followed all my friends  
Stole liquor went down to the lake  
Weed mixed with whiskey  
Hell I got so dizzy was more than my stomach could take

If I could go back in time  
Wouldn't change a damn thing in my life  
Love the dumb things we do when we're young  
But the best is yet to come

Oh!

Go for it  
Run toward it  
Dive in head first

Live life with no regret  
Well Put your heart out there  
Don't be scared you might get hurt  
But it's all worth it in the end  
Cause the best is yet to come  
Ye-ah  
My last high school lesson scared of graduation  
Tipped a few back and showed up too late  
Well my mom got mad hell my dad he just laughed  
And said, son I have done the same thing

Go for it  
Run toward it  
Dive in head first  
Live life with no regret  
Well Put your heart out there  
Don't be scared you might get hurt  
But it's all worth it in the end  
It'll all work out in the end  
Cause the best is yet to come  
The best is yet to come  
Ye-ah  
The best is yet to come
