G

Like on the sky the sun lights up, your soul shines for the Lord, oh my dear sister,

You kneel down unto the Lord and prayed, asking for a solution

C G

You said you would leave and couldn't carry your tribulation, couldn't handle your trial

Am F

In a book I described your life, you were crying

C

G

An angel by your side that relieved your pain, all of this brought to me this song.

Am F

So I say go, where ever you go I'll be with you

C

I am an angel that God sent for you,

G

For your protection I use the shield of love

Am F

So I say go, where ever you'll be God will help you,

I don't have powers, but God certainly does,

God brought to me this song just to prove that he loves you.
