

Hinos Avulsos CCB - Vamos Semear a Semente

Tom: C

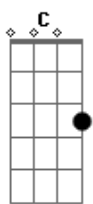

(intro) C Db Dm Dm G G C G Am Em F Fm

Irmão olhando dentro dos seus olhos
 Tenho visto uma tristeza de sofrer por essa obra
 Mas irmão não desanime pois Deus é contigo
 Deus ouviu o seu gemido e vai te abençoar
 Sabe irmão tem coisas que me deixam triste
 De saber que não mais existem as orações de antigamente

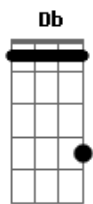

Mesmo assim eu vou seguindo o meu caminho
 Cantar foi o destino que nosso Deus me deu

Vamos semear a semente
 Semente de amor e de paz
 bis
 Por onde nossa voz cantar muitas sementes vão brotar
 Então vamos semear a semente
