[Primeira Parte]

Do Planalto Paulista se alteia  
Qual um sonho, soberba visão  
É Bariri e teu nome campeia  
Nos quadrantes de toda nação

Muitos séculos dormiste no bojo  
Dos anais da nação que te fez  
Foste pérola guardada num estojo  
Ho-je surges, mostrando tua vez

[Refrão]

Bari-ri, Ba-ri-ri  
Tu ostentas a esperança mais viril  
És bandeira do progresso  
Parabéns paulistinha do Brasil  
Bari-ri, Ba-ri-ri  
Tu ostentas a esperança mais viril  
És bandeira do progresso

[Segunda Parte]

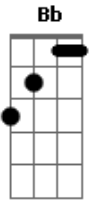

Foste fada, por um povo sonhada  
O Estado calou, te esqueceu  
João Lemos na meta traçada  
Le-vantoute em teus braços, te ergueu

Vês agora um povo tão vibrante  
Que rendendo homenagens à ti  
Pela glória e força pujante  
Pa-ra-béns, Parabéns Bari-ri
