

Hinos de Cidades - Hino de Guarapuava - Pr

tom: E

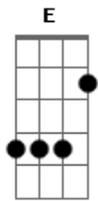

0 Sol surgiu, um dia, mais brilhante
 E foi, risonho as flores acordar
 0 riacho, sobre as pedras, a cantar
 A cidade que surgia triunfante!

Com fervor, nós te saudamos, Guarapuava
 Neste hino de Louvor!
 Teu vulto sem igual

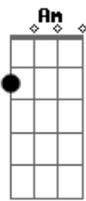

Pinheiro magistral
 Eu sempre hei de cantar com ardor!
 Vaqueiro colossal
 Figura imortal
 Guarapuava é teu grande amor!

0 Sol doura o campo verdejante
 A brisa, os trigais a balouçar
 Guarapuava é menina radiante
 Com o ouro dos trigais a se enfeitar!
