

Hinos - Hino de São João Dos Patos

Tom: A

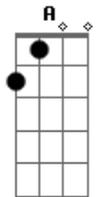

São joão dos patos
 Oh! terra santa abençoada por deus
 São tantos os fatos
 Que servem de orgulho aos filhos
 teus
 II:
 São joão querida
 De duas lagoas tiveste o nome de batismo
 De glória e vida
 Ganhaste e crescestes com brilhantismo

Estrilho:

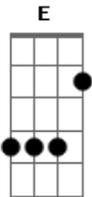

Salve oh! patos,
 De água doce e cristalina
 E quem bebe se fascina
 E te leva no coração

Cidade amada
 Terra boa e hospitaleira
 És gentil, és prazenteira
 És namorada do sertão
 III:
 Aos lavradores,
 Que aqui chegaram e plantaram uma semente
 Vivas e louvores,
 Pois dentre as serras despontastes
 resplendente.
 IV:
 E nós patoenses
 Te idolatramos entre tantas mil
 E bem maranhense
 És um pontinho deste imenso
 brasil.
