

# Hippo Campus - Monsoon

tom:

[Primeira Parte]

F C Bb F  
Just two days after the first of June  
Dm C F Bb  
A pine with arms brushing off the dew  
F C Bb F  
Unlike a sky copious with death  
Dm C F Bb  
Precipitation of heart and head  
F C Bb F  
Should wash the rest of her youth away  
Dm C F Bb  
And carry on with it as she may  
F C Bb F  
But something's pending curvaceously  
Dm C F Bb  
'Cuz sunburned skin won't agree with me

[Refrão]

F C Bb F Dm C F Bb  
It should've been me

[Segunda Parte]

F C Bb F  
The pleasure's good as the pleasure's sound  
Dm C F Bb  
My chin held shut so my heart can talk louder
