

# Hiroyuki Sawano - Call Your Name (ft. Gemie)

tom:

Intro: Eb Gm Eb Gm

She lost her brother a month ago  
His picture on the wall  
And it reminds me  
When she brings me coffee, her smile  
I wish I could be with her until my last day

She said she gave all her love to me  
We dreamt a new life  
Some place to be at peace  
But things changed, suddenly  
I lost my dreams in this disaster

I'm crying  
Missing my lover  
I don't have the power  
On my side forever  
Oh, where is my lover?  
And I got no power  
I'm standing alone, no way  
Calling out your name

( Eb Gm Eb Gm )

I said I gave all my love to you  
We dreamt a new house  
Some place to be at peace  
But things changed, suddenly  
I lost my dreams in this disaster

We don't know what is wrong tonight  
Everybody's got no place to hide  
No one's left and there's no one to go on  
All I know is my life is gone

( Eb Gm Eb Gm )

I'm crying  
Missing my lover  
I don't have the power  
On my side forever  
Oh, where is my lover?  
And I got no power  
I'm standing alone, no way  
Calling out your name
