

# Hiroyuki Sawano - Inertia

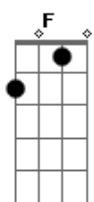

tom:  
Am  
I always knew where I stood  
Am  
I tried to be so good  
F  
Look at me now  
G  
I don't know how  
Am Em  
But I'm a real hero  
Am  
No hiding in the shadows time to strut  
I'm gonna make a splash to make this cut  
F G Am  
You've got to believe that I am free  
Em  
So, no hesitation  
Am C Em  
Picture your planet in disharmony  
F  
Jump into the night  
G  
'Cause I can smell the trouble  
Am  
Don't you miss the fight  
Just get there on the double  
F  
I gotta make a difference  
G  
I'm moving with a purpose  
D Em  
I'm felling my inertia, inertia, inertia  
F G  
Stubbornly, I will believe, I will believe (keep dreaming)  
Am  
Stubbornly, I will believe, I will believe (keep dreaming)  
F  
Is it my turn to be the hero? (Yeah)  
G  
'Cause I've got to be the hero (yeah)  
D  
'Cause I've got to be the hero (yeah)  
Em  
'Cause I've got to be the hero (yeah)  
Am  
Didn't you know it's enough?  
Just to deserve that love?  
F G  
Without a crowd, without a stage  
Em  
You're still a real hero  
Am  
I'm gonna be the last line of defense  
I'll blow it if I lack the confidence  
F G  
I've got to believe  
Em
