

# Hoagy Carmichael - Stardust

tom: **Em** **G** **C7**  
 And now the purple dusk of twilight time  
**B7** **E** **E7**  
 Steals across the meadows of my heart  
**Am** **Cm** **G** **Em**  
 High up in the sky, the little stars climb  
**Gb** **Gb7** **F** **D7**  
 Always reminding me that we're apart

**G** **C7**  
 You wander down the lane and far away  
**B7** **E** **E7**  
 Leaving me a song that will not die  
**Am** **Cm** **G** **Em**  
 Love is now the stardust of yesterday  
**D7** **Am7** **C** **G**  
 The music of the years gone by

**C7M** **Am**  
 Sometimes I wonder why I spend  
**F** **F7** **G**  
 The lonely night, dreaming of a song  
**Em** **Bm** **E7** **Am**  
 The melody haunts my reverie  
**F** **Am7**  
 And I am once again with you

**D** **F** **D7**  
 When our love was new  
**G**  
 And each kiss an inspiration  
**A** **A7**  
 But that was long ago, now my consolation  
**D7** **Am7** **D7**  
 Is in the stardust of a song

**C7M** **Am** **F**  
 Beside a garden wall, when stars are bright  
**F7** **G**  
 You are in my arms  
**Em** **Bm7** **E7** **Am7**  
 The nightingale tells his fairy tale  
**E7** **F** **Am7**  
 A paradise where roses bloom  
**D** **A7** **D7**  
 Though I dream in vain  
**G** **Em** **B7** **Gb7**  
 In my heart it will remain  
**C** **E7** **Am7**  
 My stardust melody  
**D7** **C** **D7** **G**  
 The memory of love's re - frain  
**Am7** **Cm** **G**

## Acordes
