tom:

E C A G
 Everytime that I sell myself to you
 E C A G
 I feel a little bit cheaper than I need to
 E C A G
 I will tear the petals off of you
 E C A G
 Rose-red, I will make you tell the truth

Gb E

 Gb E

 Gb E

 Gb E

E C A G
 Everytime that I stare into the Sun
 E C A G
 Angel dust and my dress just comes undone
 E C A G
 Everytime that I stare into the Sun
 E C A G
 Be a model or just look like one
 E C A G
 Wild eye, rotgut, do me in
 E C A G
 Do you think you can make me do it again?
