

Hole - Drown Soda (unplugged)

Tom: **E**

Versechorus:

Ending: **E E E F**

Lyrics:

Ooh yeah, he wants to take you
Take you away from your life
Ooh yeah, he wants to take you
Take you away from your lies
Ooh yeah, he wants to take you
Take you by the hand
Ooh God, just let him rape you
Baby, I think you'll understand

Just you wait til everyone is hooked
Just you wait til everyone is hooked
Just you wait til everyone is hooked
Just you wait til everyone is hooked

Ooh yeah, he wants to take you
Take you by the hand
Oh baby, let him break you
Then I think you'll understand

Are you gonna sit and watch me
Watch me while I go down
Are you gonna sit and watch me
Watch me while I drown

Woah God, he wants to take you
Take you away from your life
Oh God, he wants to break you

Take you away from your lies

Ooh yeah, he wants to take you
Take you by the hand
Ooh baby, let him break you
Then I think you'll understand

Are you gonna sit and watch me
Watch me while I go down (shhh)
Are you gonna sit and watch me
Watch me while I drown

Woah God, he wants to take you
Take you away from your life
Woah God, he wants to break you
Take you away from your lies

And I sit in the corner and I drink drown soda
I wanna bomb the whole state of Minnesota
Yeah baby oh
Yeah baby oh
And it's been a while, I'm a little annoyed
I'm gonna fuck the whole state of Illionis
Yeah baby oh
Oh
(?) of shit, he's got no place to go
I'm gonna fuck the whole state of Ohio
Yeah baby oh
Yeah baby oh
She sits on Broadway, with a rattle
She's gonna fuck the whole city of Seattle
Yeah baby oh
Yeah baby oh
Yeah baby oh
