

Hole - Good Sister / Bad Sister

Tom: **C**

Chorus:

I try but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and

Good sister, bad sister
You're different from the rest sister
Choke strangle rip twist her
Sell me down the river sister

Verse:

I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try, I try, I try

Chorus: x 4

Come here and sit down just for a sec please just when you're done
You're choking on big black bloody mouthfulls of it
Pet me and I am your dog, dog descent
You're choking on your candy flesh
I'll be the biggest scar in your back
Run down it jagged and make it back
I'll be the biggest dick that you ever had
You want it bad
You want it bad
You want it

Verse: x 4

Bridge:

Good sister, bad sister
Tell me what you want sister
Better watch your back sister
Even you cannot resist her

But I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and I want to so bad and
I try but I can't and
I try, I try

Chorus: x 4

Sugar star the highest fall down tells a piece
She comes to crucify all the little girls
Love not me move it to Greece
And sugar comes from her arteries

Verse: x 4

I'll be the biggest scar
Run down it jagged and make it a bly
I'll be the biggest scar in your sky
You want it bad
You want it bad
You want it bad

All of bridge: x 2

She's in, she is incredulous
Mortal doctor rips off her dress
She wants you in her descent
Choking on her candy flesh

Chorus: x half

Lyrics:

Good sister, bad sister
Better burn that dress sister
Scar tissue blood blister
Suck upon the dregs sister

I'll be the biggest scar in your back
Run down it jagged and make it back
I'll be the biggest dick that you ever had
Hey, you want it bad
You want it bad
You want it

I can't and I want to so bad and
