HUNGRY LIKE THE WOLF transcribed by Martin Furan

lyrics: (im not sure bout this)
down in the city, night is alive
steam in the subway, earth is afire
do do do do do do do do do do do do do do do do do
woman you want me, give me a sigh
you check my breathing just a moment behind
do do do do do do do do do do do do do do do do do

in touch with the ground, im on a hunt, im after you
smell like i sound, lost when im found, and im

hungry like a wolf

night is alive, earth is afire, im on a hunt, im

after you

smell like i sound, lost when im found, and im

hungry like a wolf.
