Hole - Old Age (unplugged)

Tom: C

Rest in peace and me and pieces Rest in peace and me and pieces (E,C,D) And I will wait your highness I'm so high I cannot talk And I will awake you cripple, you take away my time, My peace, my dignity no babies sleep when your near me Your unborn love and fetal dress hard bitter candy, fated caress What was she for Halloween F The ugliest girl you've ever seen Someday she will die alone Е C Someday she won't have to fake it Е С Living, will itself seems sacred G Α C Someday she will die alone F. С F He seems to me to know С E All the glitter is sour

All the glitter is sour E C E All the lies in his place C Jesus saves (A,E) Old age Old age Old age

It's okay to kill your idols
