retard girl make us sad
retard go girl we understand
well she walks funny
kinda like a pig
gotta hate the retard girl
see the retard girl walking in her school
in the same dress from fourth grade
see the retard girl cross-eyes in her schoolyard
lookin for the friend she made
retard girl, retard girl, retard girl, yeah
dont forget her face
now shines the moon
upon the lake of fire
sucking up the end in the yard
well she walks funny
kinda like a pig
retard girl

hear the retard girl
she walks funny
she dont think like the others do
see the retard girl
squirmin in the mud
throw her in the trash can
see what she does
retard girl, retard girl, retard girl, yeah
dont forget her face
yeah i ask her
whyd you implode?
well her heads so big
it just might explode
and she walks funny
kinda like a pig
gotta hate retard girl
hit her
see the retard girl starin at the sun
what does she see?
see the retard girl starin at everyone
i hope she doesnt see me
retard girl, retard girl, retard girl, yeah
dont forget her face
retard girl, retard girl, the retard girl
dont forget her facespanx.
