

Hole - Sugar Coma (Unplugged)

Tom: C

Do what you want
Cause I'll do anything
I'll take the blame
Baby, you're dying
It's yours it's mine
Cause I'll do anything
I'll take the blame
Baby, you're dying

He said I'll never ever, ever go away
He said he 'd always always,
He would always stay
They said they'd never ever, ever go away
They said that they would always,
They would always stay

And in your eyes
I thought I saw everything
I'll take the blame
Baby, I'm lying

Do what you want
Cause I tried anything
I'll take the blame
Baby, I'm dying

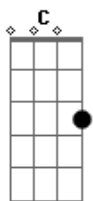

He said I'll never ever, ever go away

He said he 'd always always,
He would always stay
They said they'd never ever, ever go away
They said that they would always,
They would always stay
He was good tonight
He cried tonight
I was not surprised

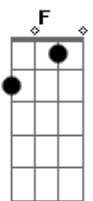

He said I'll never ever, ever go away
He said he 'd always always,
He would always stay
He said I'll never ever, ever go away
He said he 'd always always,
He would always stay

Baby, you wanted to die
Now you think why
Baby all your lies
Now you decide
Help me arrive
Let him make rise
Baby, all your lies
Now you decide
Now you decide
Now you decide
