Gb

[Primeira Parte]

Gb  
Turnin' down the radio station  
Bbm  
Wanna have a conversation  
Ebm Db  
Pull into a parkin' lot, yeah  
Gb  
Feel my heart is sinkin' down  
Bbm  
Feel it in my stomach now  
Ebm Db  
I can turn it up a notch

Gb  
You said: let's stay friends  
Bbm  
But whoever stays friends?  
Ebm Db  
Who?  
Gb  
Hope I understand  
Bbm  
But I'll tell you if I stand  
Ebm Db  
Who now, yeah?

[Pré-Refrão]

Gb  
If that makes you happy? I'm happy  
Bbm Ebm  
Not wishin' you the best 'cause I wasn't  
Db  
Enough for you  
Gb  
I guess it happens, it happens  
Bbm Ebm  
Sometimes you win and then sometimes  
Db  
You lose

[Refrão]

Gb Bbm  
When you lay down at night

Gb  
Cause you said this and did that  
Bbm  
Took my heart, gave it back  
Ebm Db  
So how do you expect me to be happy for you?

( Gb Bbm Ebm Db )

Gb  
Never saw the good in byes  
Bbm  
I will never tell that lie  
Ebm Db  
If you're gettin' out, I'll drive, yeah  
Gb  
Maybe you could find yourself  
Bbm  
Better with someone else  
Ebm Db  
Glad I could be some help
