

# Hollywood Ending - Not Another Song About Love

tom:

G

B Abm

Let it out, been building up you better let it out

Say everything that you've been meaning now

B

I want it to burn

B

When you tell me that I'm such a wreck

Abm

It isn't easy cleaning up your mess

Dbm Gb

It's like I've got a rope around my neck

B

She says it won't hurt

Abm Gb

But everything you do makes my heart race

E

I can't even think straight

B Gb

Is this just a game to you?

Abm

Re-runs every night

Gb

It's always the same fight

E Em

And I think you should know

B

I hate your touch

Gb

I hate your mouth

Abm Ebm

I can't stand every single word that falls out

E B

But you're all that I've been dreaming of

E Gb

This is not another song about love

B

I hate your voice

Gb

I hate your lips

Abm Ebm

I hate how bad I wanna steal your kiss

E B

But you're all that I've been dreaming of

E Gb

This is not another song about love

B

Asphyxiated just to say the least

Abm

And with your eyes you're suffocating me

Dbm Gb

Emptied my lungs, it's getting hard to breathe

B

You couldn't care less

Abm Gb

But everything you do makes my heart race

E

I can't even think straight

B Gb

Is this just a game to you?

Abm

Re-runs every night

Gb

It's always the same fight

E Em

And I think you should know
