[Primeira Parte]

^{Em}
As I walk through the valley of the shadow of death
^C
I wear my crown of thorns and pull the knife out my chest
^G
I keep searching for something that I never seem to find
^D
But maybe I won't, because I left it all behind
^{Em}
Now I'm stuck with this, and that'll never change
^C
Always a part of me, until the very last day
^G
Where to go from here? What road to travel on?
^D
I spent my whole life choosing, and I always chose wrong
^{Em}
Will I try to have the will to be alive?
^C
Will I try because I've never seen the light?
^G
Blow it to the ground and it's now you see
^D
You spent your whole life taking the best of me

[Refrão]

^{Em}
Where'd you go? Where's your home?
^C
How'd you end up all alone?
^G ^D
Can you hear me now?
^{Em}
There's no light, there's no sound
^C
Hard to breathe, when you're underground
^G ^D
Can you hear me now?
^{Em} ^D
Hear me now

[Segunda Parte]

^{Em}
How long can I keep pretending to be?
^C
That all the stars in the sky could mean something to me
^G
Heaven will open up if I live on my knees
^D
A man of many words, but a man of few deeds
^{Em}

Walking these streets, so absent of hope
^C
A pillow of concrete, a man with no home
^G
Lend him a hand, then we're walking the way
^D
Leave the virtue of pity, but we live with the shame
^{Em}
So scared to dream in a world with no sunlight
^C
When you wake up, you know it's darker than last night
^G
Quickly we forget, sacrifice gone by
^D
Born to walk away, been walking my whole life

[Refrão]
