

HOLYGHOST MADNESS - Good Music

tom: [Intro] Em A G

Em A G
Em A G
Em A G

Em
In the heart of the night
A G
Banging my mind on that pipe
Em
Whispering words in my head
A G
Do I talk to the dead

Em
From bottles, needles and lines
A G
Trying enlightenment through the night
Em
Search for meaning, poor soul
Don?t you know that ain?t rock?n?roll

A
Oh no
G
That ain?t good music
A
Oh no
G
You?re not creative
A
Oh no
G
You?re so disturbed
A
Oo no

Em
You?re just a devil
(A G A G)

Em
False claim made me lame
G A
In filthy lies you abide
Em
Immature, insecure
G A
True, you got in my mind

Em
Not for long, hear this song
A G
Found a place where to belong
Em
Even though I was so wasted
By a miracle I got saved

A
Oh, yeah
G
Do you hear my music
A
Oh, yeah
G
Do you feel the hatred
A
Oh, yeah
G
You sure you can stand it?
A
Oh, yeah
Have you seen the devil
