Hoobastank - Don't Tell Me

Tom: E

The song starts of with just pianos and stuff, and then you start off with:

The chorus is pretty much the same thing, just a bit slower. CHORUS:

The pre-chorus is just the piano again.
Right before the chorus, play:

.... P.M.

Then add this to the end of the chorus:

SOLO:

After the solo play:

Then after the third time play:

Then repeat the chorus 4 times. Add this to the end:

Acordes

E
