

Hoobastank - Earthsick

Tom: **F**

Repeat intro three times and go to next section

Verse

In this next section the guitarist is strumming some barre chords while the bassist plays through a wah pedal (about 27 seconds into the song)

Clean tone

repeat first line of verse then go on

Don't play the thirteens on last repeat

Then there's a fill or something with this

The bass stands out more in this section

End on 12 power chord with a flanger effect.

```
e|-----|
B|-----|
G|-----|
D|-12--|
A|-12--|
E|-12--|
```

After that go back to the verse with the clean tone.

```
| /  slide up
| \  slide down
| h  hammer-on
| p  pull-off
| ~  vibrato
|    harmonic
| x  Mute note
```
