

Hoobastank - If I Were You

Tom: **D**
Intro: A2 - **Dbm** ; 2x

Verse 1 | One strum each

You seem to find the dark, when everything is bright

You look for all that's wrong, instead of all that's right

Does it feel good to you, to rain on my parade

You never say a word, unless it's to complain

It's driving me insane

Chorus: | Strum here

D **A**
If I were you

C **G** **D**
Holding the world right in my hands

D **A**
The first thing I'd do

C **G** **D**
Is thank the stars for all that I am

A - Dbm - C - G
If I were you

Verse 2

A2
Look at what's around you now

Dbm
More than you ever dreamed

A2 **C** **G**
Have you forgotten just, how hard it used to be?

A2 **Dbm**
So what's it going to take, for you to realize

A2 **C** **G**
That all could go away, in one blink of an eye

C **D** (keep playing **D**)
It happens all the time

Chorus:

D **A**
If I were you

C **G** **D**
Holding the world right in my hands

D **A**
The first thing I'd do

C **G**
Is thank the stars above
