

# Hoobastank - My Turn

Tom: F

a guitarra principal deve estar afinada em drop D  
 numero os riffs para facilitar a execução

riff 01  
 I have been patiently waiting in line  
 Watching everyone passing me by  
 And I can't seem to figure out

agora um dedilhado ( Bb, C, D )  
 riff 02

When's it gonna be my turn

riff 01  
 I'm sick and tired of payin' my dues  
 Play the game till the end then I lose  
 So can somebody tell me

riff 02  
 When's it gonna be my turn  
 When's it gonna be my turn

refrão  
 Yesterday I learn from  
 Tomorrow is uncertain  
 So why can't I just make my turn today

riff 01 1x

riff 01  
 I always followed and played by the rules  
 But the prize goes to those who are true  
 Still nobody can answer me

riff 02  
 When's it gonna be my turn  
 When's it gonna be my turn

(refrão)

Cause yesterday I learned from  
 Tomorrow is uncertain  
 So why can't I just make my turn today

entra uma guitarra com esse palm mute:

When's it gonna be my turn  
 When's it gonna be my turn

agora junto com a guitarra do palm, entra uma guitarra com o riff 02  
 até voltar ao refrão!

When's it gonna be my turn  
 When's it gonna be my turn  
 When's it gonna be my turn  
 When's it gonna be my turn

Whoa  
 When's it gonna be my turn  
 Whoa  
 When's it gonna be my turn

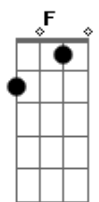

Yesterday I learned from  
 Tomorrow is uncertain  
 So why can't I just make my turn today

Cause yesterday I learned from  
 Tomorrow is uncertain  
 So why can't I just make my turn today

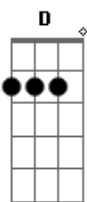

riff 01  
 When's it gonna be my turn

When's it gonna be my turn
