

Hooverphonic - Sad Song

Tom: **C**

Am **Amsus2**
Now it's time to move to the next level
Am **Amsus2**
Sore wet eyes that look at the devil
Am **Am** **Am** **Amsus2**
Tell me please that it's time to leave
Am **Amsus2**
On the train I lost my intelligence
Am **Amsus2**
Found my love with good intentions
Am **Am** **Am** **Amsus2**
But it's still time to leave

(chorus)
C **Em** **Am** **Am**
I recorded the sound of your heart
C **Em** **Am**
I recorded the sound of your eyes
C **Em** **Am** **Am**
And I converted them into this sad song
C **Em** **Am**

That modulated these mysterious lights

Am **Amsus2**
Synchronized love expectations
Am **Amsus2**
pure delight this love creations
Am **Am** **Am** **Amsus2**
tell me please that it's time to leave
Am **Amsus2**
Ain't it fun, our funfare behaviour?
Am **Amsus2**
All this real and fake filthy flavours
Am **Am** **Am** **Amsus2**
Tell me please that it's time to leave
(chorus)
C **Em** **Am** **Am**
I recorded the sound of your heart
C **Em** **Am**
I recorded the sound of your eyes
C **Em** **Am** **Am**
And I converted them into this sad song
C **Em** **Am**
That modulated these mysterious lights
