

Hot Chelle Rae - Why Don't You Love Me

tom:
Intro: D G Bm A

[Primeira Parte]

See I can't wake up I'm living a nightmare
That keeps playing over again

Locked in a room so hung up on you
And you're cool with just being friends

[Pré-Refrão]

Left on the sidelines
Stuck at a red light
Waiting for my time
And I can't see

[Refrão]

Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe

And why don't you love me baby?
Open up your heart tonight
'Cause I could be all that you need
Why don't you love me?
Why don't you love me?

[Segunda Parte]

See I'm just too scared to tell you the truth
Cause my heart ache can't take anymore
Broken and bruised longing for you
And I don't know what I'm waiting for

[Pré-Refrão]

Left on the sidelines

Waiting for my time
So just tell me

[Refrão]

Open up your heart tonight
'Cause I could be all that you need

Why don't you give me a reason?
Please tell me the truth
You know that I'll keep believing
Till I'm with you

Why don't you love me?
Kiss me, I could feel your heart tonight
It's killing me so

[Refrão]

Why don't you love me?
Touch me, tell me I'm your everything
