Am F C  
Can't stand the fact I know where you are  
10 Years, I still try to spot your car  
When driving past your house  
The taste of iron in my mouth or  
Am F C  
The shame that I have to look like mom  
Disgraced, I made me my father's son  
You're still too close to me  
I swear at night I feel your breath  
F Am G  
There's nothing special in the water here  
There's no reason you should feel the need to stay  
You've ruined everything you touch 'round here  
Let the locusts have your home  
They'll feel the same  
G Am C F  
And I'll feel the same
