

## Hot Water Music - Old Rules

Tom: E

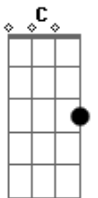

<sup>E</sup>  
5:30 rings  
<sup>C</sup> Pots over gas flames  
<sup>G</sup> Still in a <sup>D</sup>haze  
<sup>E</sup> Not walking dead  
<sup>C</sup> But alive and i'm fed  
<sup>G</sup> Still hungry for <sup>D</sup>more  
<sup>E</sup> 'Cause before <sup>C</sup>i wake  
<sup>G</sup> Again, again, again, again, again, again  
<sup>E</sup> I toss and i turn <sup>D</sup>again and again  
<sup>E</sup> With something calling me  
<sup>C</sup> Maybe a conscience

<sup>G</sup> Maybe that <sup>D</sup>dream  
<sup>E</sup> Of something more  
<sup>C</sup> Well beyond the folklore  
<sup>G</sup> That failed to <sup>D</sup>be  
<sup>C</sup> <sup>D</sup>Something <sup>E</sup>real  
<sup>C</sup> <sup>D</sup>Solid or <sup>E</sup>still  
<sup>C</sup> Something real <sup>D</sup>solid Or <sup>E</sup>still  
<sup>C</sup> To ground me with <sup>D</sup>instinct to <sup>G</sup>feel before  
<sup>D</sup> I think and think before <sup>E</sup>i know  
<sup>G</sup> To know. Know before i <sup>D</sup>act, act before i <sup>E</sup>grow  
<sup>G</sup> In control, with fear <sup>D</sup>ail <sup>E</sup>hold  
<sup>G</sup> Cutting me <sup>D</sup>loose from <sup>E</sup>old rules
