tom:

Intro: G D G C  
D C D G

I heard it on the radio  
C D G  
Somebody reaching out tonight

Another soul that never sleeps  
C D G  
Until the shadows touch the morning lights

I know you well  
G  
I've been holding on

Weak and strong  
G C  
But right or wrong

I had to call your number

I had to know for sure, wow

Do you really wanna fall in love  
G Am G C

Take the chance again

Do you feel inside

The fire never dies  
G Am G C  
And it burns till the end

Do you really wanna give enough

Talk all night  
Am G C

Make love in the rain

If you really do

All I ask of you

Remember my name  
D
