

Housefires - Wildfire

tom: [Intro] D

[Primeira Parte]

I surrender my obsession
To control You as I please
And I lay down all my idols
Of a God who looks like me

[Refrão]

Your love is a wildfire
So I'll set you free
I'll let you go, I'll let you move
I'll let you be
Yeah, Your love is wildfire
And It can't be tamed
Oh, You're gonna do what You're gonna do
So I'm gonna let you have Your way

Wildfire
Your love is a wildfire
A wildfire

[Segunda Parte]

You said if I seek you, I will find you
Oh, and if I knock, You will open up the door
In surrender you have shown me
You're so much better than I think You are

[Ponte]

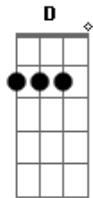

I can't fence You in
I don't want control
Maybe love begins when I let go

Vamp

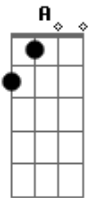

So I let You go
I let You go

(Em D Bm A)
(Em D Bm A)
