How I Met Your Mother - For The Longest Time

Tom: G

```
              Eb Bb Eb Ab                    Bb          Eb  Eb                  Ab          Bb
Woohoohoohoo (for the longest) for the longest time          If you'd say goodbye to me tonight
                                                         Eb                  Ab          Bb
Bb Eb Ab                    Bb          Eb               There would still be music left to write
Hoohoohoo (for the longest) for the longest time         G             Cm
                                                         What else could i do
                                                         Bb        Eb     Eb7
                                                         I'm so inspired by you
                                                         Ab                      Bb       Eb
                                                         That hasn't happened for the longest time
