

Howie Day - Collide

Tom: Eb

(com acordes na forma de Capostrate na 4ª casa
Tuning: Standard
Capo: 4th fret
Intro: B Gb Abm E (4x) B

The dawn is breaking
A light shining through
You're barely waking
And I'm tangled up in you

Yeah

I'm open, you're closed
Where I follow, you'll go
I worry I won't see your face
Light up again

Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find
You and I collide

Don't stop here
I lost my place
I'm close behind

B Gb Abm E B

I'm open, you're closed
Where I follow, you'll go
I worry I won't see your face
Light up again

Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find
You and I collide

Gb Abm E B

Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills your mind
You finally find
You and I collide
You finally find
You and I collide
You finally find
You and I collide

I'm quiet you know
You make a first impression
I've found I'm scared to know I'm always on your mind

Even the best fall down sometimes
Even the stars refuse to shine
Out of the back you fall in time
I somehow find
You and I collide

Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills your mind
You finally find
You and I collide
You finally find
You and I collide
You finally find
You and I collide
