

# Hozier - Arsonist Lullaby

Tom: A

(com acordes na forma de G )

Capostrate na 2ª casa

Intro: Em B7 C Am B7 Em  
Em B7 C Am B7 Em

Em B7 C  
When I was a child, I heard voices  
Em G B7  
Some would sing and some would scream  
Em B7 C  
You soon find you have few choices  
Am B7 Em  
I learned the voices died with me

Em B7 C  
When I was a child I'd sit for hours  
Em G B7  
Staring into open flame  
Em B7 C  
Something in it had a power  
Am B7 Em  
Could barely tear my eyes away

Em B7 C  
All you have is your fire  
Em G B7  
And the place you need to reach  
Em B7 C  
Don't you ever, tame your demon  
Am B7 Em  
But always keep 'em on a leash

( Em B7 C Am B7 Em )  
( Em B7 C Am B7 Em )

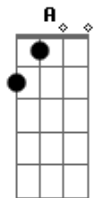

Em B7 C  
When I was 16 my senses fooled me  
Em G B7  
Thought gasoline was on my clothes  
Em B7 C  
I knew that something would always rule me  
Am B7 Em  
I knew the scent was mine alone

Em B7 C  
All you have is your fire  
Em G B7  
And the place you need to reach  
Em B7 C  
Don't you ever, tame your demon  
Am B7 Em  
But always keep 'em on a leash

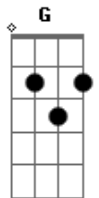

Em B7 C  
When I was a man I thought it ended  
Em G B7  
When I knew loves perfect ache  
Em B7 C  
But my peace has always depended  
Am B7 Em  
On all the ashes in my way

Em B7 C  
All you have is your fire  
Em G B7  
And the place you need to reach  
Em B7 C  
Don't you ever, tame your demon  
Am B7 Em  
But always keep 'em on a leash
