[Primeira Parte]

Bm D7M  
One bright morning changes all things  
G7M Em7 Em7  
Soft and easy as your breathing  
Bm7  
You wake

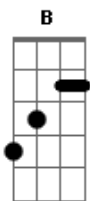

D7M  
Your eyes open at first a thousand miles away  
G7M  
But turning shoot a silver bullet point-blank range  
D7M  
And I can scarce believe what I'm believing in  
Gbm7 G  
Could this be how every day begins?

[Refrão]

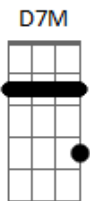

D7M  
The sky set to burst  
B B2  
The gold and the rust  
B B G7M  
The colour erupts  
D7M  
You filling my cup  
B B2 B B  
The sun coming up

D A  
Like I lived my whole life  
B B2 B B G  
Before the first light  
D  
Like I lived my whole life
