

HRVY - Personal

```
Make you wish you were dead
                                                                Everytime she moves on she says:
 (com acordes na forma de C )
Capostraste na 8ª casa
                                                                Don't take it personal. (Don't take it personal)
I don't know, why'd you do this to me
                                                                Everytime she moves on she says
You're so cold, you be playing like yeah
                                                     veah
                                             veah
I got told, danger follows everywhere you go
                                                                She won't do you no favours
But I'm simply like yeah
                           yeah
                                                                Beautiful but she's dangerous
                                     veah
                                                                She was only gon' break you
This the part where I'm gonna get hurt
                                                                Drive me crazy like yeah (4x) yeah (4x) yeahhh (ohhh)
                       Am
I never listen but I didn't deserve it
I was young and she was my first love
                                                                She won't do you no favours
So they say that you live and you learn
                                                                Beautiful but she's dangerous
                                                                She was only gon' break you
Like yeah
                                                                Drive me crazy like yeah (4x) yeah (4x) yeahhh (ohhh)
She gon' mess with your head (oh yeah)
And she'll flirt with your friends (oh yeah)
                                                                Oh yeah
Make you wish you were dead
                                                                She gon' mess with your head (oh yeah)
        Am
Everytime she moves on she says:
                                                                And she'll flirt with your friends (oh yeah)
Don't take it personal. (Don't take it personal)
                                                                Make you wish you were dead
Everytime she moves on she says
                                                                Everytime she moves on she says:
Who else knows, all my friends are blowing up my phone
                                                                Yeah
Something's telling me no
                                                                She gon' mess with your head (oh yeah)
                            no nooo (oouhh)
                                                                And she'll flirt with your friends (oh yeah)
This the part where I'm gonna get hurt
                                                                Make you wish you were dead
I never listen but I didn't deserve it
                                                                Everytime she moves on she says:
I was young and she was my first love
                                                                Yeah, she gon' mess with your head (oh yeah)
So they say that you live and you learn
                                                                And she'll flirt with your friends (oh yeah)
Like yeah
                                                                Make you wish you were dead
                                                                Everytime she moves on she says:
She gon' mess with your head (oh yeah)
And she'll flirt with your friends (oh yeah)
                                                                Don't take it personal. (Don't take it personal)
                                                                Everytime she moves on she says
```
