                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      Fm7
                                                                                                                                                                                                                                                                                                                                                                                                                    As long as you're mine tomorrow
                                              Cadd9
 That you'd never hear me say
                                                                                                                                                                                                                                                                                                                                                                                                                               C D
                                                           G Em7
                                                                                                                                                                                                                                                                                                                                                                                                                     Tomorrow
                                                                                                                                                                                                                                                                                                                                                                                                                          G
 That was back before forever Cadd9 D
                                                                                                                                                                                                                                                                                                                                                                                                                    Mine tomorrow
 Had a name and a pretty face
                                                                             Am7
                                                                                                                                                                                                                                                                                                                                                                                                                     As long as you're mine
 And a smile that turns any wrong around
                                                                               Cadd9
                                                                                                                                                                                                                                                                                                                                                                                                                     Tomorrow
 Darling, it's alright when the sun goes
  Acordes
```
