

Hugh Grant - Way Back Into Love

Tom: **Bb**

This is my first tab ever! I saw this film today and i love it. the lyrics on some of only 12 please be nice :) I dont get guitar lessons, i taught myself so im not quite sure about it but add it if you wanna talk about it or see if i could maybe another tab for you.. If i can do it

If you listen to the song, you can get the timing of the solo bits right, and if your and know what notes the intro is (I do tbh..) you can play them on piano :)

Thankyou for reading xx
