

# Hugh Jackman - The Other Side

Tom: C  
 A  
 Right here, right now  
 A  
 I put the offer out  
 A  
 I don't want to chase you down  
 C  
 I know you see it  
 A  
 You run with me  
 A  
 And I can cut you free  
 A  
 Out of the treachery and  
 C.  
 Walls you keep in  
 A C  
 So trade that typical for something colorful  
 G  
 And if it's crazy, live a little crazy  
 A C  
 You can play it sensible, a king of conventional  
 G  
 Or you can risk it all and see  
 A F  
 Don't you wanna get away from the same old part you gotta play  
 C  
 'Cause I got what you need  
 C G  
 So come with me and take the ride  
 G  
 It'll take you to the other side  
 A  
 'Cause you can do like you do  
 F  
 Or you can do like me  
 C G  
 Stay in the cage, or you'll finally take the key  
 A F  
 Oh, damn! Suddenly you're free to fly  
 C G  
 It'll take you to the other side  
 A  
 Okay, my friend, you want to cut me in  
 A  
 Well I hate to tell you, but it  
 C  
 Just won't happen  
 A  
 So thanks, but no  
 A  
 I think I'm good to go  
 A  
 'Cause I quite enjoy the life  
 C  
 You say I'm trapped in  
 A C  
 Now I admire you, and that whole show you do  
 G  
 You're onto something, really it's something  
 A C  
 But I live among the swells, and we don't pick up peanut  
 shells  
 G  
 I'll have to leave that up to you  
 A F  
 Don't you know that I'm okay with this uptown part I get to  
 play  
 C G  
 'Cause I got what I need and I don't want to take the ride  
 G

I don't need to see the other side  
 A  
 So go and do like you do  
 F  
 I'm good to do like me  
 C G  
 Ain't in a cage, so I don't need to take the key  
 A F  
 Oh, damn! Can't you see I'm doing fine  
 C G  
 I don't need to see the other side  
 A  
 Now is this really how you like to spend your days?  
 A  
 Whiskey and misery, and parties and plays  
 C  
 If I were mixed up with you, I'd be the talk of the town  
 C  
 Disgraced and disowned, another one of the clowns  
 A  
 But you would finally live a little, finally laugh a little  
 A  
 Just let me give you the freedom to dream and it'll  
 A  
 Wake you up and cure your aching  
 C  
 Take your walls and start 'em breaking  
 C  
 Now that's a deal that seems worth taking  
 E  
 But I guess I'll leave that up to you  
 A G  
 Well it's intriguing, but to go would cost me greatly  
 A G  
 So what percentage of the show would I be taking?  
 C G  
 Fair enough, you'd want a piece of all the action  
 C G  
 I'd give you seven, we could shake and make it happen  
 A G  
 I wasn't born this morning, eighteen would be just fine  
 C G  
 Why not just go ahead and ask for nickels on the dime  
 A  
 Fifteen  
 C  
 I'd do eight  
 A  
 Twelve  
 C  
 Maybe nine  
 C  
 Ten  
 A F  
 Don't you wanna get away to a whole new part you're gonna play  
 C G  
 'Cause I got what you need, so come with me and take the ride  
 G  
 To the other side  
 A  
 So if you do like I do  
 F  
 So if you do like me  
 C G  
 Forget the cage, 'cause we know how to make the key  
 A F  
 Oh, damn! Suddenly we're free to fly

**C**  
We're going to the other **G** side

**A**  
So if you do like I do  
(To the other side)  
**F**

So if you do like me  
(We're going to the other side)  
**C**  
'Cause if we do we're going to the other **A** side  
**C**  
We're going to the other...  
**C**  
Side
