                                                               But time and time I've tried to tell her so
                                                                                 Gm

By the time I get to Phoenix she'll be risin
                                                               She just didn't know I would really go

She'll find the note I left hangin on her door
                                                                           Gm

                                                               By the time I make Albuquerque she'll be workin
                                                                             Gm
She'll laugh when she reads the part that say I'm leaving
                                                               She'll probably stop at lunch and give me a call

Cause I've left that girl so many times before
                                                               But she'll just hear that phone keep on ringin.
                                                                                                                 Off the wall

By the time I make Albuquerque she'll be workin
