

# Engelbert Humperdinck - Stranger In Paradise

Tom: C

Intro: Dm G C A7/13- Dm G Fm C A7/13-

Dm G C C  
Take my hand, I'm a stranger in paradise  
Dm G Fm C C  
All lost in a wonderland, a stranger in paradise  
Dm G C C  
If I stand starry-eyed, that's a danger in paradise  
Am Dm Fm G C  
For mortals who stand beside an angel like you  
Bridge  
I saw your face, and I ascended  
Ab7 Db  
Bm C7 Fm

Out of the commonplace into the rare  
E7 A  
Somewhere in space I hang suspended  
Dm G C  
Until I know there's a chance you care  
Edim Dm G C  
Won't you answer the fervent prayer of a stranger in paradise  
Dm G C  
Don't send me in dark despair from all that I hunger for  
D7 G Em  
Edim  
But open your angel arms to this stranger in paradise  
Dm Fm G C  
And tell him that he need be a stranger no more
