

Engelbert Humperdinck - There's A Kind Of Hush

Tom: D

Intro: D D D G A

There's a kind of hush all over the world tonight

All over the world you can hear the sounds of lovers in love

You know what I mean

Just the two of us and nobody else in sight

There's nobody else and I'm feeling good just holding you tight

Bridge
So listen very carefully

Closer now and you will see what I mean it isn't a dream

The only sound that you will hear

Is when I whisper in your ear I love you

For ever and ever

There's a kind of hush all over the world tonight

All over the world you can hear the sounds of lovers in love

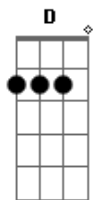

You know what I mean

Just the two of us and nobody else in sight

There's nobody else and I'm feeling good just holding you tight

Of lovers in love of lovers in love
