

Engelbert Humperdinck - What Now My Love

Tom: G

Em D
What now, my love
Now that you've left me G D
How can I live through another day A7 D G
Em D G D
Watching my dreams, turn into ashes A7 D D7
And my hopes into bits of clay Em A7 Gbm Bm
Once I could see, once I could feel Em A Em A7 D D
Now I'm numb, I've become unreal D7 Gm C7 F Bb7
I walk the night without a goal Bb6 Gm Gdim Em A A7
Stripped of my heart, my soul
What now, my love G D

Now that it's over

Em A A7 D G
I feel the world D G D
Here come the stars A7 tumbling around me D D D7
There's the sky where the sea should be Em A7
What now, my love Gbm Bm
Now that you're gone Em A7 Em A7 D D
I'd be a fool to go on and on D7 Gm A7 Em F Bb7
No one would care, no one would cry Bb6 Em Abdim Em A7 Em
If I should live or die Em D
What now, my love G D
Now there is nothing Em A7 A D D D D
Only my last, my last goodbye
