

Hurricane - Another Song

tom:

Intro: Am Em G D
Am Em G D
Am F Am

Almost you fascinate me without my resistance
An ignorance or a little of innocence?
The Hade?s door, I knew this Liar
No faith, no gifts, just this old and bed of fire

Who said you are invincible?
I know many winners

I lost this life
When I opened my eyes to distance
Never say die
Like the other song

I don?t need you to be happy
I don?t depend you to be crazy

The absence that you don?t cause
It doesn?t despairs me in anytime
Records, friends, verses, truths

I select them one by one
Who said you are invincible?
I know many winners

I lost this life
When I opened my eyes to distance
Never say die
Like the other song

(Dm C G Dm C G)
(G Bb F G Bb F)

Am
Death is on the life
And the pain matures soul
But we have buttons on our hands
We carry out e make the roads

I lost this life
When I opened my eyes to distance
Never say die
Like the other song

[Final] Am Em G D
Am Em G D
Am F Am
