

# Hush Kids - Oasis

tom:

D

I lost my faith

G

Guess it dried up with the river

D G

I've walked for miles in the heat of the sun

A G

I need to lay my weary head down

A G

Need something to bring me back, bring me back again

D G

I'm looking for an oasis, an oasis full of life

Full of life

D G

Are there any traces, any traces of life

Of life?

D

Dream of the sea

G

But I cannot reach the water

D G

Wake with a thirst that never goes away

A G

I need to lay my weary head down

A G

Need something to bring me back, bring me back again

D G

I'm looking for an oasis, an oasis full of life

Full of life

D G

Are there any traces, any traces of life

Of life?

A G

Is it all just hallucination?

A G

Or will I find some peace just up ahead?

D G

I'm looking for an oasis, an oasis full of life

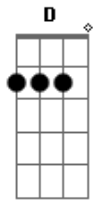

Full of life

D G

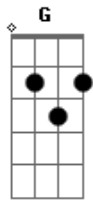

Are there any traces, any traces of life

Of life?
