Husky - Let It Happen

Tom: E

m [Intro] C Am Bm
C Am Bm
C Am Bm
C Am Bm

C Am Bm
It's always around me, all this noise but
C Am Bm
Not nearly as loud as a voice singing
C Am Bm
Let it happen, let it happen
C Am Bm
Just let it happen, let it happen

[Refrão]

Gbm D
All this running around
E A
Trying to cover my shadow
Gbm D
An ocean growing inside
E A
Now all the others seem shallow
Gbm D
All this running around
E A
Bearing down on my shoulders
Gbm D
I can hear an alarm
E E
Must be morning

(C Am Bm)
(C Am Bm)

C Am Bm
I heard about a whirlwind that's coming around
C Am Bm
It's gonna carry off all that isn't bound, and
C Am Bm
When it happens, when it happens
C Am
So let it happen, let it happen

[Refrão]

Gbm D
All this running around
E A
I can't fight it much longer
Gbm D
Something's trying to get out
E A
And it's never been closer
Gbm D
If my ticker fails
E A
Make up some other story
Gbm D
But if I never come back
E A
Tell my mother I'm sorry

[Solo]

C Am
And it means, we move on ice giving
Bm
Trying to get dreaming

C
Trying to pose living
Am Bm
You knew I'm not thinking that I would let you in

C
Any other silver
Am
And I would just do it
B
Get the meshed thinking

C
Get the meshed dreaming
Am
Why would I do it
Bm
Anyone'd think that

C Am
I could not do it, we move on ice giving
Bm
Trying to get dreaming

C
Trying to pose living
Am Bm
You knew I'm not thinking that I would let you in

C
Any other silver
Am
And I would just do it
B
Get the meshed thinking

C
Get the meshed dreaming
Am
Why would I do it

Anyone'd think that
