

Hyde - Cape Of Storms

Tom: D

Bm **Gbm**
So where do I sail?
Em **Gbm**
A ship losing control
Bm **Gbm**
My cries swallowed up,
Em **A**
Lost in the raging sea

Bm **Gbm**
So where has love gone?
Em **Gbm**
Will I ever reach it?
Bm **Gbm**
The Cape of Storms
Em **A** **Bm**
Echoes the pain I feel inside

Bm
You'll never notice
Gbm
The colour of sin
Em **A**
Just as the storm clouds close in
Bm
It's dark

Bm
Here in the shadows
Gbm
I am pursued
Em **A**
Until the ends of the earth

Bm
Embraced

Db **Gbm**
The ghost ship wanders far
Em **Gbm**
For there is no guiding star
Db **G** **Gb**
And this treasure has no meaning anymore

[Solo] **Bm** **Gbm** **Bm** **Gbm** **Bm** **Gbm** **Em** **A**

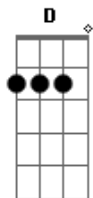

Bm
You know completely
Gbm
The taste of sin
Em **A**
Melting sweet in your mouth
Bm
Like chocolate

Bm
A moment of pleasure
Gbm
You are fulfilled
Em **A**
But every dream has its time
Bm
To die

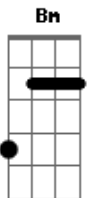

Db **Gb**
Will this be my fate?

[Solo] **Bm** **Gbm** **Bm** **Gbm** **Bm** **Gbm** **Em** **A**
