

# Hylon - HRS

Tom: G  
Intro: ]  
G B Am C B Am G

[Verse]  
Before we ever wrote a song  
Before you ever sang along  
I knew you were the only, the only one I need

[Verse]  
Before you ever came around  
Or kissed me on my mama's couch  
I knew your life was meant for me

[Verse]  
Before we sway  
Before that dance, girl  
I knew, you would be my one and only world

[Verse]  
So you can give me this whole life  
With you standing by my side  
Because I know I got what I need  
And I won't let it go, no no

[Pre-chorus]  
Why everybody got to learn the hard way

[Chorus]  
I don't want no plan b, I ain't got no envy  
(I'll get it right, get it right if it keeps you by side)  
I'll get it right, get it right on the first try

I don't need no second chances  
I don't want no new romances  
(I'll get it right, get it right if it keeps you by side)  
I'll get it right, get it right on the first try

[Verse]  
Darling now I know  
Together we'll be growing old  
I will never let you go  
My love is only for you

[Verse]  
Cuz it's like this whole world  
Here in this hand I'm holding  
So come hell or high water  
You know we're gonna walk right through

[Pre-chorus]  
So well I got to learn the hard way

[Chorus]  
I don't want no plan b, I ain't got no envy  
(I'll get it right, get it right if it keeps you by side)  
I'll get it right, get it right on the first try  
I don't need no second chances  
I don't want no new romances  
(I'll get it right, get it right if it keeps you by side)  
I'll get it right, get it right on the first try  
I'll get it right, get it right if it keeps you by side  
I'll get it right, get it right on the first try
