

I Am King - Impossible

tom: **Fm** **Fm**
 I remember years ago
Ab
 Someone told me I should take
Eb **Db**
 Caution when it comes to love, I did, I did
Fm
 And you were strong and I was not
Ab
 My illusion, my mistake
Eb **Db**
 I was careless, I forgot, I did
Fm **Gm**
 And now, when all is done, there is nothing to say
Ab
 You have gone and so effortlessly
Eb
 You have won, you can go ahead, tell them
Fm
 Tell them all I know now
Ab
 Shout it from the roof tops
Eb
 Write it on the sky line
Db
 All we had is gone now
Fm
 Tell them I was happy
Ab
 And my heart is broken
Eb
 All my scars are open
Db
 Tell them what I hoped would be
Fm **Ab**
 Impossible, impossible
Eb **Db**
 Impossible, impossible
Fm
 Falling out of love is hard
Ab
 Falling for betrayal is worse
Eb **Db**
 Broken trust and broken hearts, I know, I know
Fm
 Thinking all you need is there
Ab
 Building faith on love and words
Eb **Db**
 Empty promises will wear, I know, I know
Fm **Gm**
 And now, when all is gone, there is nothing to say
Ab
 And if you're done with embarrassing me
Eb
 On your own you can go ahead, tell them
Fm
 Tell them all I know now

Ab
 Shout it from the roof tops
Eb
 Write it on the sky line
Db
 All we had is gone now
Fm
 Tell them I was happy
Ab
 And my heart is broken
Eb
 All my scars are open
Db
 Tell them what I hoped would be
Fm **Ab**
 Impossible, impossible
Eb **Db**
 Impossible, impossible
Fm **Ab**
 Impossible, impossible
Eb **Db**
 Impossible, impossible
Fm **Ab** **Eb** **Db**
 Impossible, impossible, impossible
Fm
