

# I Don't Know How But They Found Me - Downside

tom:  
Intro: C Em C  
Em Em7 C7M Em7

[Primeira Parte]

C Em C  
I know that I can be impossible  
Em Em7  
I'd say I'm sorry, but I'm never gonna let go  
C7M Em7  
It feels like my heart broke  
The second I said "no"  
C Em C  
But I regret it now, I didn't know  
Em Em7  
I couldn't live another minute in your blue light  
C7M Em7  
Like Mazzy in starlight  
Oh my God, I left you at midnight

[Pré-Refrão]

C  
Darling, I need  
Em  
Darling, I need  
D  
Darling, I need  
C Em Em7  
Darling, I need you here tonight  
C7M Em7  
You're all that I wanted  
N.c  
And it's so hard to look at the downside

[Refrão]

F G  
I wanna listen to you whisper to me  
Em F  
I wanna watch bad American movies  
F G Am C  
Don't wanna give another kiss with my baby on my mind  
F G  
It wasn't kind, it was kind of boring  
Em F  
I put a pill in my cup every morning  
F G Am C  
And when I die, I'll get those cold copper kisses on my eyes  
F G C  
And now I'm fighting for a look at the downside

[Segunda Parte]

C Em C  
It took a moment to disintegrate  
Em Em7  
So curious about the noise you make in bedrooms  
C7M Em7  
I don't know what I'd do

## Acordes

Em7  
But we could find out soon

F G C Am  
F G  
Oh, the pennies on your eyes  
C Am  
Will pay the toll at your demise  
F  
And carry you far away  
G  
It's so hard to take  
C  
A look at the downside
